Meeting called to order at 7:02 by Chris
Present were Chris, Pat and Betty

Rena was present to go over spreadsheets and expenses with us, which took about an hour. We all thank Rena for her help. Rena was able to give us a copy of the legal agreement between the Board of Selectmen and Thomas Goulden, former Chief of the Brookline Police.

We discussed a letter that Betty had drafted for the Finance Committee to send to the Selectmen regarding the financial impact of the legal settlement with Thomas Goulden. We agreed that it was not the letter we wished to send as a Finance Committee. Chris will scan the legal agreement and email it to Betty and Pat. Chris will take as an action item to redraft the letter.

Betty did not receive the 5/27 meeting minutes, so Pat will resend them to her and we will approve them at the next meeting.

Chris and I agreed that the LGC classes that we both took on June 5 and June 12 were well worth the travel and time to do so.

9:02 Pat motioned to end the meeting and it was seconded by Chris.
