

# **Brookline Town Clean-up Week**

Join the Brookline Conservation Commission this year for the 14th annual Brookline Town Clean-Up Week.

This year, residents are invited to sign up and pick up local roads during school vacation week, which extends from Saturday, April 23rd through Sunday, May 1st. Come out and help make Brookline shine!

Sign up at the Transfer Station, where you can select your favorite road, borrow traffic safety vests, and pick up brightly colored refuse bags. Refuse bags are left at the side of the road, so volunteers are also needed to pick up bags throughout the one-week period and deliver them to the transfer station.

You may also contact Kristen Austin at 673-8855 ext. 216 to arrange a road assignment.

Spend the day or an afternoon with your family, scout troop or other organization while promoting civic pride and environmental awareness.

**Please help to make Brookline Beautiful!**

**Spring clean up week  
April 23– May 1, 2010**

**Sign up for a road by contacting The Town Hall offices or when you head up to the Transfer Station.**
