2016 Sidewalk and Trail Planning Group Charter

Purpose

The Brookline Selectboard has established the 2016 Sidewalk and Trail Planning Group to assist the Selectboard with the following tasks:

- Evaluate the 2009 Sidewalk and Trail Connection Plan
 - Progress against Plan
 - Areas for focus in updating the Plan
- Collect input from the following regarding potential future trails/sidewalks:
 - Planning Board
 - Conservation Commission
 - Town residents
 - Road Agent
 - Nashua Regional Planning Commission
- Prioritize any additional trails and sidewalks that are recommended
- Develop rough cost estimates for construction
- Develop plan for future maintenance (and costs) of sidewalks
- Identify grant opportunities to assist with costs
- Provide Selectboard with updated 2016 Plan by October 1, 2016

The Committee and its Charter shall expire at the end of the March 2017 town meeting, unless deemed sooner by the Selectboard.

All meeting agendas and minutes will be posted and maintained per RSA 91-A.
