Description of sign: If additional space is required use reverse side of this form for all sketches. Thank You

The undersigned hereby states that all work shall be done in accordance with the plans and specifications submitted and shall conform to the International Building Code as amended and all zoning and building codes of the Town of Brookline, NH as amended. Is a certified plot plan of this property required? [YES] [No] Sign must conform to NEC Art. 250 Grounding and Bonding, if illuminated. I have read and understand Section 1600 (attached) of the Brookline, NH Zoning and Land Use Ordinance as amended. To the best of my knowledge the proposed sign (s) meet the requirements of this ordinance and this application is complete and accurate. An Electrical Permit is required when sign is to be illuminated or has any power to it.
