

What to Bring	What NOT To Bring
<ul style="list-style-type: none"> • Oil based paints • Oven cleaners • Pool chemicals • Adhesives • Mixed gasoline • Preservatives • Fluorescent Bulbs • Pesticides • Muriatic acid • Rodent killers • Herbicides • Drain cleaners • Photo chemicals • Varnish • NiCD batteries 	<ul style="list-style-type: none"> • Flares (burn them) • Ammunition (bring to Police Department) • Used oil and auto batteries (landfill/transfer station) • Old smoke detectors (return to manufacturer) • Propane tanks (landfill/transfer station) • Latex paints and latex driveway sealer (see below)

All paints/sealers that can be cleaned up with soap and water are **Latex**. To dispose of small quantities, add kitty litter to the can and leave open until completely dry. For larger quantities, use several sturdy plastic trash bags to line a box and alternate paint and kitty litter or shredded newspaper and let stand until crunchy dry. Place dried cans in the bag and seal. Dispose of dried paint products at your town landfill or transfer station.
