**Do you have one of these?**

If you intend to use a fire pit, chimaeras or other outdoor burning devices such as one of these or something similar or you wish to use a traditional pit in the ground then you need to obtain a fire permit.

A seasonal permit is recommended and may be obtained from Forest Fire Warden Fire Chief Charles Corey at 673-4058.

Seasonal permit renewals may be done at the Fire Station during the week.

If there are any questions please call 672-8531.
