Annex

Requests for bids have gone out and some bids have been received, but the Facilities committee would like to receive more bids. Tad is looking into possible grants, but the work is going forward regardless.

Construction Taxes

It has been brought to the town's attention that we do not charge certain fees for construction that many other towns charge. The committee discussed that there would be pros and cons to such new fees and that more information would be needed.

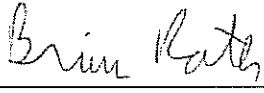

Next Meeting

Our next meeting will be June 18th at Town Hall.
