November Minutes

The November minutes were approved unanimously.

Public Input

There was no public input.

School Budget

We have not heard back from the administration about updates to the budget. Brian has sent an email to Ernie Pistor to determine when the Finance Committee and the School Board need to get together next.

Coop School District

Brian updated the committee on the state of the Coop School District budget. Next year's budget is facing considerable pressures due to a significant increase in special education costs and a number of projects. The Coop Budget Committee has directed the administration to make offsetting cuts to minimize the potential budget increase.

Agenda Building

Our January meeting should focus on the scope of the town meeting presentation and our report for the Town Report.

Next Meeting

We will meet Wednesday, January 6th at 6:30 at town hall.

Respectfully Submitted,
Brian Rater
