Incident Involving Police

Tad advised the Board that the police dealt with a tense situation at 2 Pepperell Road this morning. A call came in around 9:30 am for a subject seeking “suicide by cop”. On his way to the scene, Chief Quigley had requested an officer from Hollis with a taser. At the scene, the subject pulled a large knife and went toward Chief Quigley. The subject was tasered once, but he pulled out the clip and then proceeded to move closer toward Chief Quigley. The subject was hit with a second charge from the taser and then subdued. Chief Quigley said it was the closest he has come to shooting someone in 40 years of law enforcement. **Tad** said that the situation was seen as a “game changer” and that the purchase of tasers is being investigated by Chief Quigley. **Darrell** asked Tad to inquire about commendations for the involved officers from the State.
