Questions Regarding the Professional Firefighters Association.

There have been many people calling the Fire Station asking who is the Professional Firefighters association?

It is a real organization that helps the full time fire departments such as Nashua, Merrimack, and Manchester. None of the money raised by this organization benefits the Brookline Fire Department. Do not let anyone tell you it does.

We are not telling you not to by their concert tickets; we just do not want you to buy them thinking that some of the money is going to the Brookline Fire Department when it is not.

The Brookline department has fundraisers throughout the year such as our Rib Fest in July, and our Open House and Duck Race in late September – early October. Or we will always accept donations at the Fire Station.

If there are any questions please do not hesitate to contact the Fire Station at 672-8531.
